Executive Director, Central Intelligence Agency
Washington, D. C. 20505

25X1   Dear

    The DDCI has completed his review of the CIA FY 1984 Budget Estimate. He has made his tentative decisions after careful consideration of the alternatives presented by my staff, the comments he received from you and others on these alternatives and on other adjustments, and the advice provided by the National Foreign Intelligence Council on 9 November. Those decisions affecting your budget are described below for your review. The DCI will review any appeal you choose to forward.   25X1

    The revised program presented by your memorandum of 1 November 1982 is tentatively supported by the DDCI with the following exceptions: 25X1

25X1

25X1

A revised one-to-N list reflecting these changes is being forwarded to you separately. Should you wish to appeal any of the DDCI's decisions, it would be most helpful if you would do so in writing by 15 November. If my staff or I can provide any assistance during this period, please let me know.

Sincerely,

25X1
